## RE-LOCATION OF GRENFELL STREET TAXI RANK

Due to the introduction of the O'Bahn Tunnel and changes to the bus routes and timetables, the bus stops in Grenfell Street will be re-located.

This will result in changes and re-locations to the taxi ranks.

The current Grenfell Street taxi rank will be permanently closed and become a full-time bus stop from

**Midnight 16th December 2017.**

**The rank will be re-located to 77 Grenfell Street.**

Changes include:-

**New zone in front of 77 Grenfell St – 7 spaces**

**New zone in front of Rundle Place – 6 spaces outside of Mon-Fri 2pm-7pm.**

**During the period it is 2 taxi spots at the front and a bus stop at the back.**

All signage will be updated and customer signage pointing out the new ranks will be installed by the Adelaide City Council.

Taxi Council recently also negotiated a 3-space taxi rank in Pirie Street and we are currently discussing the option of more rank space in Currie Street.

Significant changes to public transport with the extension of the tram, combined with the Rundle Mall upgrade will result in more changes to taxi ranks in the coming months.

A map of the new locations is included on the following page and the proposed customer signage is also attached.
