Bulletin No: 503

Date: 8th January 2021

NAB TAXI RANK

Due to the commencement of major works on King William Street, the Taxi Rank at 22 King William Street (known as the NAB Rank) will be re-located.

The Taxi Council, together with the Department of Transport and the City of Adelaide have been looking at the best possible options, knowing that this will be a two-year project and knowing how important this rank is to the public and to drivers.

A 3 car, 24/7 rank will now be established further south of the current location, closer to the entrance of the Rundle Mall. Additional spaces will be allocated on the southern side of the Mall between 7pm and 5am nightly.

Cheryle Conduit
Executive Officer
Taxi Council SA
