### PORT ADELAIDE PLAZA SHOPPING CENTRE

In response to a request from the Taxi Council SA, Centre Management has agreed to allow taxis to use the spaces currently marked as Community Bus bays out of the bus operating hours. Currently they are only used in the morning which means taxis can park in the bus bay from 12 noon onwards Monday – Friday and all day Saturday and Sunday.

Over the next couple of weeks Centre Management will move the current taxi signs and relocate one to the bus stop area and one to where the taxis are parked now. This rank will remain in place. The line marking will be updated to reflect the correct parking areas.

Two taxis will be allowed to park in the bus bay after 12 noon with the remainder using the current location as a waiting area. As professional taxi drivers you will need to manage this after 12 noon, using the fulltime rank as a layoff.

Centre Management has also asked us to let you know that they would not like more than 6 taxis on site at any time.
