

CASINO TAXI RANK FRIDAY 12-3-2021

Please be advised there will be disruptions to the taxi rank on Friday 12/3 , Built and Civil-tech will be removing the remaining concrete barriers and re-bituminizing the road along the taxi rank.

Below is a sequence and timing of works:

Friday -12am – 7am

- Concrete Barriers removed by BUILT
- Civiltech onsite, setting up traffic control etc. Intend to block parking lane and one traffic lane only. Footpath not affected, but will have bunting along the edge. NO TAXIS.
- Bitumen works to commence east to west, truck will be gone by 7am at the latest.
- General tidy-up of areas.
- Civiltech will then cut in granite around pram ramp, do some work on the eastern pillar, defects, other stuff. SOME DISRUPTION TO TAXI access while works along the kerb, using truck to provide protection.

From **Saturday 13/4** to **Tuesday 16/4** there will be some minor disruptions were we will take a parking spot within the taxi rank while we do our caulking works along the edge of the footpath, this truck will be used shield workers from traffic.

There will also be some disruption on Friday the 19th of March but will advise further as to impact on taxis and parking spaces.
